

LOCAL BEHAVIORAL HEALTH AUTHORITY *LBHA OVERVIEW, BEHAVIORAL HEALTH PROVIDERS & GRANT FUNDED SERVICES*

Presented to: The Prince George's County Board of Health

Presented by: Imani Booker- Lewis, LBHA Manager

April 9, 2024

Prince George's County Health Department
Office of the Health Officer
Local Behavioral Health Authority (LBHA)

PRINCE GEORGE'S COUNTY LOCAL BEHAVIORAL HEALTH AUTHORITY

- The Local Behavioral Health Authority (LBHA) is a part of the County's Health Department.
- It is a state-mandated program responsible for all publicly funded Behavioral Health services in the County:
 - ❖ **Planning**- to engage with public and private sector partners to promote and support behavioral health.
 - ❖ **Managing**- to assess, plan, design and manage needed behavioral health programs and services at the local level while also supporting the carryout of statewide initiatives when needed.
 - ❖ **Monitoring accessibility & quality**- to promote quality and partner with regulatory authorities including the Medicaid Administrative Services Organization (ASO) to enable compliance.

HOW DOES THE LBHA SUPPORT PRINCE GEORGE'S COUNTY RESIDENTS?

- The LBHA is often the first point of contact for residents seeking information about behavioral health treatment.
- The LBHA's goal is to ensure all residents receive the necessary services and support for mental health, substance use, and related disorders.
- The LBHA monitors all public behavioral health Services (PBHS) in the County.
 - Concerns or complaints should be reported to the LBHA promptly so that they can be addressed and resolved.
 - Residents should call (301) 856-9500 or email PGC_LBHA@co.pg.md.us

HEALTH
DEPARTMENT
Prince George's County

LBHA PROGRAM MONITORS & CONTRACT MONITORS

- **LBHA Program Monitors:** provide oversight of PBHS providers and programs. There are four (4) program monitors, each assigned 42+ providers to monitor. Each monitor is responsible for performing onsite reviews and inspections (announced and unannounced as designated by BHA) prior to BHA licensure, upon site relocation, upon program or bed expansion and at least annually to determine compliance with site requirements.
- **LBHA Contract Monitors:** the LBHA manages all grant-funded programs. Two (2) contract monitors are responsible for overseeing 46 grant programs. They develop and manage the budget for PBHS service grants that have been awarded to the LBHA by BHA and other funding sources. They contract with behavioral health providers to implement local behavioral health programs and services

LBHA SERVICE COORDINATORS

- The LBHA has (3) Service Coordinators, an **Adult Service Coordinator**, **Child & Adolescent Service Coordinator** and a **Crownsville Project Coordinator**, who are all responsible for connecting individuals and families in need of help accessing public behavioral health services and/or grant-funded programs.
- This includes referrals for: Targeted Case Management (TCM), Assertive Community Treatment (ACT), In-Home Intervention Program for Children (IHIP-C), residential placement, and coordination of care for youth with complex needs, individuals leaving state hospitals and individuals leaving correctional facilities.

-

Public Behavioral Health Services (PBHS) by Program Type and Population Served

MH AND SUD RESIDENTIAL BEDS: TWO-YEAR TREND

Residential Rehabilitation Program (RRP) Beds in Prince George's County

- **Residential Rehabilitation Program (RRP)** provides beds and supportive services to single individuals with severe mental illness stepping down from inpatient, incarceration or in a current state of homelessness. The goal of **RRP** is to provide services that will support an individual to transition to independent housing of their choice.
- There are **six (6) providers operating a total of 368 Residential Rehabilitation Program(RRP) beds** in the County. The LBHA's Adult Coordinator reviews applications submitted from community programs and state hospitals. Applications from State hospitals receive priority as well as In-County residents.
- **Medical Necessity Criteria** must indicate why the applicant cannot function independently in the community with other mental health services. There are two levels of care for which an applicant may apply: Intensive or General.

LBHA MANAGEMENT OF GRANT FUNDED BEHAVIORAL HEALTH SERVICES

In addition to PBHS oversight, the LBHA awards and oversees grant-funded behavioral health service contracts. The LBHA currently monitors (46) grant funded services.

Through grant funding and participation in state and local planning activities, the LBHA makes certain that a full range of services are available across the lifespan for prevention, early intervention, recovery, and peer support services.

New Initiatives

- **Suicide Awareness and Prevention Committee**- The LBHA is creating a Suicide Prevention and Awareness Committee charged with reviewing epidemiological data on suicide in the County and using the reviewed findings to inform community education, presentations and trainings on suicide, recovery and resilience.
- **Crisis Intercept Mapping**- In FY 2024, the LBHA met with members of the Behavioral Health Administration (BHA), SAMHSA, and the Hartford County Commission on Veterans Affairs to discuss the rollout of Crisis Intercept Mapping (CIM), a significant area of focus related to preventing suicide and behavioral health crisis among the Service Member, Veteran, and Family (SMVF) community in Prince George's County. As the pilot site for the state of Maryland, Hartford County has extended support to the LBHA in the next phase to bring CIM to Prince George's County.
- **Spring into Wellness: Adult Behavioral Health Expo**: The LBHA in collaboration with the Department of Parks and Recreation, Prince George's County, is excited to announce an upcoming community event aimed at promoting behavioral health, physical health, and general health and wellness in our area. May 11th at the Southern Regional Technology and Recreational Complex in Fort Washington, MD
- **Go Green Campaign in May**: We're partnering with the Children's Mental Health Matters Campaign to bring awareness to Mental Health Awareness Month. The LBHA is purchasing green light bulbs to distribute the green bulbs to County buildings, and to PBHS providers. We are not only going green for Children's Mental Health Matters week but for the entire month of May.
