**Discussion:**

Review of recommendation report: CM Dernoga gave a quick overview of the revisions to the Planning Department's draft report. The discussion then moved to discuss Mr. Forman's proposed changes to CM Dernoga's revisions. Mr. Tutman brought up the lack of natural infrastructure in the document. He did not have written edits but suggested adding a section.

Staff will create a new version of document based on CM Dernoga revisions and incorporate Mr. Forman's revisions, any Planning Department changes and the meeting discussion. Revised document to be circulated and approved at the next meeting.
