# THE PRINCE GEORGE'S COUNTY GOVERNMENT

## Office of Audits and Investigations

October 2025

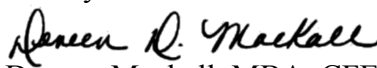

The County Council and County Executive  
of Prince George's County, Maryland

Conforming to Article III, Section 313 of the Charter of Prince George's County, Maryland, we have performed a special audit of the accounts of the Office of the State's Attorney. This audit was initiated due to the resignation of Aisha N. Braveboy from the position of State's Attorney, effective June 18, 2025.

Our examination included tests of the accounting records and other auditing procedures, as we considered necessary under the circumstances. Consideration was given to the fact that these records are included in the scope of the County's annual financial audit, conducted by CliftonLarsonAllen LLP, independent auditors, for the year ended June 30, 2024. Therefore, we primarily directed our examination to include a review of Ms. Braveboy's travel advances, expense reimbursements, leave records, fixed assets records, and selected expense accounts for the period July 1, 2024, through June 30, 2025.

This report, in our opinion, fulfills the requirements of Article III, Section 313 to perform a special audit of the accounts maintained by the departing official and their agency. We wish to express our sincere gratitude to the Administration for the cooperation and assistance extended to us during the course of this engagement.

## **FINDINGS, COMMENTS, AND RECOMMENDATIONS**

### **Expenditures, Encumbrances, and Commitments**

A statement of expenditures, encumbrances, and commitments compared with appropriations for the Office of the State's Attorney (SAO), for the period July 1, 2024, through June 30, 2025, is presented on Schedule 1 of this report. As of June 30, 2025, overall total expenditures and encumbrances exceeds the total appropriations for the Office of the State's Attorney. Legislation to reallocate appropriations between various agencies, including the Office of the State's Attorney, is currently being considered by the County Council to address this variance (CB-82-2025).

### **Travel Advances and Expense Reimbursements**

We reviewed the travel advance records maintained by the Office of Finance, Accounting Division, for the period July 1, 2024, through June 30, 2025, and determined that Ms. Braveboy did not have any unsettled travel advances at the time of her resignation. We also reviewed expense reimbursements paid to Ms. Braveboy for the period July 1, 2024, through June 30, 2025, and found no discrepancies or irregularities.

### **Expense Accounts**

We selected expense accounts for the Office of the State's Attorney, for the period July 1, 2024, through June 30, 2025, to ensure that County funds expended by the departed official were appropriate. During our review, we noted documentation (i.e., invoices/receipts) or approval (i.e., signed agency control sheet or email approval) was not provided to support nine (9) of the fourteen (14) selected expenditure transactions incurred by the Office of the State's Attorney. A&I obtained supporting documentation for the remaining five (5) expenditure transactions in the County's financial system, to which no discrepancies or irregularities were identified.

- 1. We recommend that personnel in the Office of the State's Attorney maintain all supporting documentation, including appropriate approvals, related to expenditure transactions incurred by the Office of the State's Attorney.**

### Leave Records and Final Pay

We verified that there was no leave payout or final pay for Ms. Braveboy since she transferred to the Office of the County Executive and did not separate from the County. We noted that the Elected Official is ineligible for leave benefits.

### Fixed Assets and Non-Fixed Assets

The Capital Assets Manual, prepared by the Office of Finance and the Office of Central Services, requires the Office of Central Services' General Services Division to perform an exit inventory of capital (fixed) assets and report findings to the Director of the Office of Central Services, upon the departure or transfer of a Department/Agency Head. The Office of Central Services is required to take the necessary steps to recover any missing asset or seek restitution for the value of the assets. We contacted personnel within the Office of Central Services' General Services Division, the Fleet Management Division, and the Office of the State's Attorney, and determined that there was no County-owned fixed assets, including a County vehicle, assigned to Ms. Braveboy.

While Ms. Braveboy does not have a vehicle assigned directly to her, the Fleet Management Division, reported that a county vehicle is in operation by Ms. Braveboy's Special Assistant and is garaged at the Wayne K. Curry Administration Building. As reported, Ms. Braveboy will utilize the vehicle assigned to the Special Assistant in her new role as County Executive. A&I confirmed the assigned vehicle by reviewing the Vehicle Assignment Request Form (VAR) provided by the Fleet Management Division. A&I noted the vehicle's description and license plate number and obtained photos of the vehicle to confirm the vehicle's garaging location at the Wayne K. Curry Administration Building. A&I also noted that the VAR form was signed by the Special Assistant and approved by appropriate personnel.

Our review also included the verification of County issued non-fixed asset items such as a cell phone, personal digital assistant, a County identification and security card, keys, a laptop computer/equipment, etc. This review included an examination of personnel records maintained by the Office of Human Resources Management (OHRM) and the Office of Finance's Payroll Section on separated employees. When an employee separates from County service, an Employee Separation Form (PGC Form #4281) is filled out by the employee as a part of the exit

process. This form (PGC Form #4281) records the return of assigned County personal property and normally a copy can be found in the employee's personnel file. At the time of our review, there was no Employee Separation Form in Ms. Braveboy's personnel file since she did not separate from the County.

The Office of the Chief Protective Services Unit, and review of the Acknowledgment of Receipt Building Security Access/ETS Key Card form, A&I learned that the State's Attorney's security access/ETS card was disabled after taking office as the County Executive. Notably, now serving as County Executive, Ms. Braveboy has been reassigned a new access card and a backup access card, which was previously assigned to the former Acting County Executive. A&I noted Ms. Braveboy signed the acknowledgment form documenting receipt of the two (2) access cards.

The Office of Information and Technology (OIT) reported that Ms. Braveboy was assigned three (3) laptop devices. Reportedly, one (1) laptop was designated for surplus, the second laptop reassigned to SAO personnel, and the third laptop is in use by Ms. Braveboy, who has transitioned to her new role as County Executive. Through inquiry with the County Executive's Office, A&I obtained documentation of the laptop and reviewed OIT records to confirm the asset number assigned to Ms. Braveboy. A&I also inquired with the Office of the State's Attorney regarding the reassigned laptop, and received no response. Therefore, A&I was unable to confirm whether SAO staff is in possession of the reassigned laptop.

- 2. We recommend that the Office of the State's Attorney's IT Liaison maintain detailed records (e.g., equipment asset numbers and the assigned users) for all computer equipment assigned to the Office of the State's Attorney.**

*Note: The Office of Audits and Investigations plans to conduct a comprehensive review of the Office of Information Technology's asset management process as part of its annual audit plan.*

#### Financial Disclosure Requirement

Ms. Braveboy was not required to file a financial disclosure statement with the County under Section 2-294 (c) (1) of the Prince George's County Code. However, Subtitle 6 of the Maryland Public Ethics Law requires certain officials, employees, and designated individuals

(among them the State's Attorney) to file financial disclosure statements with the State. Section 5-604(a) further requires an individual who, other than by reason of death, leaves an office for which a statement is required, to file the statement within 60 days after leaving office.

At the time of our review, Ms. Braveboy filed the proper financial disclosure statement with the Maryland State Ethics Commission for the period January 1, 2025 through June 19, 2025, as required.
