BACKGROUND

The Department of Housing and Community Development (DHCD) seeks to maintain and preserve affordable housing in the County by providing rental assistance, homeownership assistance and community development services in order to improve the quality of life for low- and moderate-income County residents.

The Housing and Community Development Division (HCD) provides direction, planning, implementation and administration of programs under the federal entitlement programs, namely the [Community Development Block Grant \(CDBG\)](#), [Home Investment Partnership \(HOME\)](#) and [Rapid Transition to Housing \(HEARTH\)](#), and [Emergency Solutions Grant \(HESG\)](#) Programs. HCD also coordinates with the [Redevelopment Authority](#) on programmatic, administrative and financial matters.

[Community Planning and Development Division \(CPD\)](#) administers the [Community Development Block Grant \(CDBG\)](#) subrecipient program and developing the [Annual Action Plan](#) and [Five Year Consolidated Plan](#).

Housing Development Division (HDD) is responsible for administering the [CDBG Single Family Rehabilitation Program](#), the [Home Investment Partnership \(HOME\)](#) program and the [Housing Investment Trust Fund \(HITF\)](#).

The Redevelopment Division provides administrative support to the Redevelopment Authority, but this will likely change as CB-099-2024 separates the Redevelopment Authority's functions from those of DHCD. While this legislation is effective immediately, changes are anticipated to take shape in FY 2026.
