These awards were issued from August of 2013 through March of 2014. According to ETHM's grant application, any County grant funds received were to be utilized to support the organization's Youth Wellness Leadership Institute and Pathways to Career Success programs. A summary of the grants awarded is as follows:

<u>Award Date</u>	<u>Grant Award Amount</u>
08/21/13	\$75,000

ETHM is a faith-based non-denominational community outreach organization that has been in operation since 1996. ETHM is also an incorporated 501(c) (3) non-profit organization that receives most of its funding from grant awards and private donations. ETHM is located at 5808 Harland Street, New Carrollton, Maryland. The organization's mission is to build and empower youth leaders to impact the health and wealth of Port Towns and Prince George's County communities by equipping youth with educational, social, and economic life skills. Its goals are to prepare youth for the workforce and college, equip youth with leadership and character skills, and promote youth-led health and wellness advocacy. During ETHM's fiscal year 2014, ETHM reported a total of 615 youth, parents, other adults, staff, and volunteers who participated in the Pathways to Career Success educational program. The demographic breakdown of all participants were 62% Black, 32% Hispanic/Latino, 5% Caucasian, and 1%

Asian/Pacific Islander. There were 22 students that participated in their Pathways to Career Success program. ETHM reported that 100% of the student participants of the program graduated high school on time coupled with a 0% drop out rate.

We examined the books and records maintained by End Time Harvest Ministries, Inc. and included tests of the accounting records and other auditing procedures as we determined necessary. Consideration was given to the fact that the records of the organization were reviewed and included in the scope of the financial audit conducted by Affluent Financial Services, LLC, for the periods ending September 30, 2013, and September 30, 2014, and no material discrepancies or irregularities were disclosed. Our examination included a review of expenditures and supporting documentation to ensure that payment amounts were properly approved and corresponded to related invoices. We noted no instances that led us to believe that County grant funds were used for other than their intended purpose.

ETHM operates and reports on a fiscal year ending on September 30th, however our examination was conducted on a fiscal year consistent with County operations (ending June 30th). For report purposes, the attached Statement of Revenues and Expenditures, as audited by their independent auditors, will be presented on a fiscal year consistent with ETHM's operations. The attached Statement of Revenues and Expenditures shows the activities of the organization for the periods ending September 30, 2013, and September 30, 2014. ETHM received County funding for fiscal years ending September 2013 and 2014 in the amounts of \$125,000 and \$21,000, respectively.
