RE: Board of License Commissioners
Fiscal Year 2019 Budget Review

Budget Overview

The FY 2019 Proposed Budget for the Board of License Commissioners is \$1,661,400. This represents an increase of \$256,600, or 18.3%, over the FY 2018 Approved Budget. The increase is largely due to an increase in compensation for cost-of-living and merit adjustments, funding allocations for a previously unfunded Director position, and the increase in fringe benefits costs. The Board of License Commissioners' expenditures are funded entirely by the General Fund.

Highlights

- The Board continues to provide alcoholic beverage management services to the citizens and residents of the County in order to promote and maintain quality alcoholic beverage establishments, and to ensure the community uses alcoholic beverages responsibly.
- One of the Board's overall goals is to increase compliance with alcoholic beverage laws, rules and regulations. The Board plans to increase the number of compliance checks performed in FY 2019 and anticipates the total number of alcoholic beverage violations to decrease from approximately 142 in FY 2017, to 100 in fiscal years 2018 and 2019. (See responses to 1st Round Question 26 for a breakdown, by type, of the violations issued by the Board.)
- The Board maintains its goal of increasing compliance with the Special Entertainment Permit by enhancing the inspection process in collaboration with the Department of Permitting, Inspections and Enforcement and the Police Department to address issues occurring with licensed establishments.
- The Board noted that it anticipates to have nearly all 450 Special Entertainment Permit inspections to be in compliance in FY 2018. Continual enforcement by trained inspectors and cooperative holders have created the desired outcome of near perfect compliance.

- In 2017, the Maryland General Assembly enacted a law focused on improving accountability, effectiveness, and efficiency of the Board of License Commissioners (House Bill 1317). The law required the County Executive to hire a consultant to review the standard operating procedures of the Board. (See Attachment 1 of the responses to the 2nd Round Questions for a copy of the consultant's report.) Key recommendations made by the consultant included:
 - Developing comprehensive standard operating procedures;
 - Automate administrative procedures, including adding an electronic payment method to the website;
 - Consider broadening the alcohol education program to help prevent sales to minors, underage drinking, overserving, and drunk driving;
 - Develop a standard to be used by the Board when awarding liquor licenses;
 - Automate and revamp the inspection process; and
 - Perform periodic random accountability checks of inspectors.
- The Board reported that it is currently implementing the organizational changes mandated by House Bill 1317. The newly hired Director started on April 2, 2018.
-
- All five (5) Board Commissioners are currently appointed by the County Executive, as required by HB 1317, and are anticipated to serve a three-year term. The current Board Commissioners are as follows:

Thomas H. Graham	Chairman
Armando Camacho	Commissioner
Kenneth Miles	Commissioner
ShaRon Kelsey	Commissioner
Eric Bowman	Commissioner

- In FY 2018, the Board will collect an estimated \$2.41 million in revenue for approximately 622 alcoholic beverage licensed premises in the County. Below is a breakdown of alcoholic beverage licenses by Councilmanic District. (See Attachment A for a description of the types of licenses issued by the Board and Attachment B for a map of the licensees by Councilmanic District.)
