## Office of Audits and Investigations

January 30, 2009

The County Council and County Executive,  
Prince George's County, Maryland

We have audited the accompanying schedule of revenues, expenditures, and 9-1-1 trust funds received by the 9-1-1 system of Prince George's County, Maryland, for the year ended June 30, 2008. This schedule is the responsibility of the management of Prince George's County, Maryland. Our responsibility is to express an opinion on the schedule of revenues, expenditures, and 9-1-1 trust funds received based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedules of revenues, expenditures, and 9-1-1 trust funds received are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule of revenues, expenditures, and 9-1-1 trust funds received. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the schedule of revenues, expenditures, and 9-1-1 trust funds received. We believe that our audit provides a reasonable basis for our opinion.

**PRINCE GEORGE'S COUNTY, MARYLAND**  
**9-1-1 SYSTEM**  
**NOTES TO THE SCHEDULE OF REVENUES, EXPENDITURES, AND**  
**9-1-1 TRUST FUNDS RECEIVED**  
**FOR THE YEAR ENDED JUNE 30, 2008**

- (1) The 9-1-1 revenues and expenditures are reported in accordance with the Public Safety Article, Sections 1-301 through 1-312 of the Annotated Code of Maryland which prescribes accounting procedures for 9-1-1 revenues and expenditures, and establishes limits on the types and amount of revenues that can be used for personnel and other operating expenditures.

The County's 9-1-1 system operations are accounted for in the County's General Fund. A center number in the General Fund's general ledger identifies 9-1-1 receipts and expenditures.

- (2) The County's 9-1-1 system receives funding from a \$0.75 local charge (the "additional charge") placed on every telephone subscriber's monthly billing statement. The telephone companies collect these fees and forward them to the State Comptroller for distribution to the individual counties. A \$0.25 State charge (the "9-1-1 fee") is also collected by the telephone companies and can be used by the counties to fund enhancements to the 9-1-1 system.

- (3) The following amounts are revenues recognized for the County's fiscal year ending June 30, 2008. Payments are received from the State on a quarterly basis:

Jul 07 - Sept 07	\$ 1,599,509
Oct 07 - Dec 07	1,580,691
Jan 08 - Mar 08	1,586,805
Apr 08 - Jun 08	1,694,615
Interest received for FY 2007	<u>301,728</u>
Total revenues recognized in FY 2008	<u>\$ 6,763,347</u>

Prior to FY 1999, the County limited personnel costs paid from the additional charge to 70% of receipts. This limitation was not applied to the fiscal year ended June 30, 2008. The County has an operational enhanced 9-1-1 system, and Section 1-312(e) permits an exemption from the 70% limit in this event.
