Question 7:

Please share the top three (3) “wants” for your community. (Responses in the same category have been combined)

District 8
Monique
Anderson-Walker

- Amenities for senior citizens
- Better grocery and a wider variety of restaurants and retail shopping options
- Better Public Transportation
- Bicycle trail along Potomac Heritage Trail
- Clean parks/bike paths, etc.
- Cycling and walking connections in Fort Washington
- Mixed-use (live/work/play) development
- Recreational and events spaces
- Renovated spaces to replace dilapidated buildings
- Retail food options that cater to early morning and “social” commuters (Panera Bread, Savor dining hall, etc.)
- Smart Growth that preserves the history of the area
- Updated infrastructure, better roads with new trees and manicured landscaping
- Visual and Performing Arts Center

Question 8:

Please share the top three (3) “needs” for your community. (Responses in the same category have been combined)

District 8
Monique
Anderson-Walker

- 12 hour a day bus service for seniors and disabled
- Crime reduction
- Flooding concerns, sidewalks and bike trails and litter (and illegal dumping)
- Food options where we can sit down and have a decent meal without driving to Waldorf or National Harbor
- Grocery stores; walking trails; quality restaurants
- Higher level grocery store such as Whole Foods
- Renovate Henson Creek. The backs of the buildings look awful from 210
- Retail and shopping amenities in neighborhoods
- Revisited school curriculum to better prepare students for 2020 and beyond
- Street repair, sidewalks, drainage
- Upgrades to dated Parks and Planning areas.
- Upkeep of the current buildings inside and out
- We need to renovate Tantallon Square BADLY
- WSSC regulation to prevent environmental health concerns

Question 9:

Please share the top three (3) areas you would like to see improved in your community.

(Responses in the same category have been combined)

District 8
Monique
Anderson-Walker

- Better access to the Potomac river for recreational use such as fishing
- Enforcement of illegal businesses, dumping, residential property upkeep
- Harmony Hall concerts in the evenings do not offer enough variety of performers and they choose groups which appeal to a specific group of citizens rather than representing the entire community of Fort Washington
- Improvement of Broad Creek Historical district (flooding, improve roadway, brick sidewalks, bike trails)
- Less litter
- More hair salons
- More involved citizens in community town hall meetings
- More responsible business owners
- Sensible traffic patterns
- Speed bumps throughout neighborhoods
- Streets...better drainage systems...more sidewalks

Question 10:

Additional Comments. (Responses in the same category have been abridged and/or combined)

District 8
Monique
Anderson-Walker

- Resurface roads and install proper bike lanes by extending Livingston Road from Fort Washington Road to Oxon Hill Road.
- Hold shopping center landlords accountable to keep up their shopping centers. The Tantallon Center (old YMCA area) has a terrible parking lot and it has been terrible for over 10 years. Yes, I've put in numerous 311 complaints. Nothing is done.
- I think this proposal is too huge for that small area near the Giant and Livingston Square. I am concerned that this commercial development will lead to expensive parking and huge parking garages which we do not have now.
- Mixed use improvement (eg. Pike and Rose in Montgomery County)...connect via bike and hike trails from Oxon Hill to FW Park. Improvement of Historical sites.
- Thanks for the opportunity to share. Future meetings should be on line even if there is an in person meeting at another venue. This platform allows people (seniors) who may not be able to attend in person meetings to participate and keep informed.
- I would like more current communication with our elected leaders.
- I would like more support for our citizen with disabilities
- I love the speed cameras on 210! Keep them there...and add more. Thanks for saving innocent lives!
- This was an informative session and I thank you for that. My concern is that the plan doesn't truly reflect the overall values/assets of Fort Washington in 2020. It specifies two areas but doesn't address Tantallon Square, Proud Mary site, old Parx Casino land, etc.
