7	93274	-8305	-8.18%
8	96876	-4703	-4.63%
9	105944	4365	4.30%

“Least Change” Strategies for Achieving Population Equality for District 7

- Move one precinct from District 6 to District 7

Other potential changes to equalize population throughout the plan

- Unite split precinct on border between 8 and 9 to bring District 8 to -2.99% deviation and 9 to 2.66% deviation.
- Move one precinct from District 3 or District 1 to District 2 to bring both districts within 1% of population equality.

Projected Shifts in District Deviations

2010 Census

District	Population	Deviation	% Deviation
